ADDITIONAL TIME ACCOUNT TERMS

Your account will mature _____

Your account has no definite maturity date. To withdraw any or part of this deposit without penalty, we must receive at least _____ written notice from you of your intention to make a withdrawal. The notice must specify the exact amount and date of the intended withdrawal. Interest will no longer accrue after the withdrawal date specified in your notice on the amount specified in your notice. The date of intended withdrawal of the last funds in the account, or the termination date, is considered to be the maturity date.

Callable account: We may terminate (call) this account by giving you _____ days' notice.

Early Withdrawal Penalty: A penalty may will be imposed for withdrawals before maturity. The penalty will equal:

7 days' interest on the amount withdrawn if the withdrawal is made within the first 6 days after the deposit.

ADDITIONAL TERMS

* Withdrawals in excess of six (6) per quarter are charged an excessive withdrawal fee of \$2.00 each.

An overdraft fee applies to overdrafts created by check, in-person withdrawals, ATM withdrawals, or other electronic means as applicable.

For variable rate accounts, the interest rate we will use to calculate the penalty will be: _____

We will charge the penalty first against any interest then in the account, and any excess will be deducted from the amount you withdraw. Some exceptions may apply.

If you withdraw some of your funds before maturity, the interest rate for the remaining funds in your account will be _____ %.

We reserve the right to treat a withdrawal which would reduce the remaining balance below the required minimum initial deposit or minimum balance as a withdrawal of the entire account balance and calculate the penalty accordingly.

Single Maturity: This account will not renew automatically at maturity. If you do not renew the account, _____

Automatic Renewal: This account will automatically renew at maturity.

You will have a grace period of _____ days after maturity to withdraw the funds without penalty.

Preventing Renewal: This account will not renew if you withdraw the funds on the maturity date or if we receive written notice from you on or before the maturity date of your intention not to renew.

Renewal Rate

The interest rate upon renewal will be equal to the rate we are then offering on new time accounts with the same features as the renewed account.

Upon renewal, interest will be calculated on the same variable rate basis as during the original term.

Renewal Term

Each renewal term will be the same as the original term, beginning on the maturity date.

Each renewal term will be _____
